Updates to the Medicare Funding Section of our Website

Did you know that Medicare will pay for AAC devices and services? If you are interested in learning more about the guidelines for Medicare funding of AAC technologies, visit the updated [Medicare section of our website](#). The site includes information about eligibility and the process as well as materials to help clinicians in preparing documentation including sample reports, checklists, FAQs, device categories and coverage guidelines, and fee schedules. Check out these pages often; as new information becomes available, we will spread the word to you through the site.
